INDEPENDENT AUDITORS' REPORT

To
The Members of EMA INDIA LIMITED

Opinion

We have audited the accompanying financial statements of EMA India Limited (“the Company”), which comprise of the Balance Sheet as at March 31, 2024, and the Statement of Profit and Loss for the year then ended, the Cash Flow Statement and Notes to the financial statements, including a summary of significant accounting policies and other explanatory information.

Basis for Opinion

We conducted our audit in accordance with the standards on auditing specified under section 143 (10) of the Companies Act, 2013. Our responsibilities under those standards are further described in the auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the Company in accordance with the code of ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the act and the rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the code of ethics.

We conducted our audit in accordance with the Standards on Auditing (SAs). We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Emphasis of Matter

- We draw attention to Note No 44 where company has disclosed that company is not having any business in hand at present as well as continuous losses in the company coupled with negative net worth, the management has determined that the Company has ceased to be a going concern. Accordingly, all assets below market value have been impaired to keep on realisable value as determined by the management

Our opinion is not modified in respect of this matter

Key audit matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Information other than the financial statements and auditors' report thereon

The Company's board of directors is responsible for the preparation of the other information. The other information comprises the information included in the Board's Report including Annexures to Board's Report, Business Responsibility Report but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Management's responsibility for the financial statements

The company's board of directors are responsible for the matters stated in section 134 (5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance of the company in accordance with the accounting principles generally accepted in India, including the accounting standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of

the Act for safeguarding of the assets of the company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the company or to cease operations, or has no realistic alternative but to do so.

The board of directors are also responsible for overseeing the company's financial reporting process.

Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit.

We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the companies' act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation. We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
- We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards. From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication

Annexure-B to the Auditors Report

Annexure referred to in paragraph 1 (f) of our report of even date to the members of **EMA India Ltd.** for the year ended 31 March 2024.

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls over financial reporting of “**EMA India Ltd.**” (“The Company”) as of 31 March 2024 in conjunction with our audit of the financial statements of the company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The company’s management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the company considering the essential components of internal control stated in the guidance note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (‘ICAI’). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors’ Responsibility

Our responsibility is to express an opinion on the company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the “Guidance Note”) and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the company’s internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company’s assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or

improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March 2024, based on the internal control over financial reporting criteria established by the company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Compliance with Ind AS

The financial statement comply in all material aspects with Indian Accounting Standards (Ind AS) notified under section 133 of the Companies Act, 2013 (the Act) (Companies (Indian Accounting Standards) Rules, 2015) and other relevant provisions of the Act. The financial statements up to the year ended March 31 2017 were prepared in accordance with the accounting standards notified under Companies (Accounting Standards)Rules, 2006 (as amended) and other relevant provisions of the Act. These financial statements are the first financial statements of the Company under IND AS.

The Financial Statements of the Company are prepared under the historical cost convention in accordance with Generally Accepted Accounting Principles and other pronouncements of the Institute of Chartered Accountants of India. The Company follows the mercantile system of accounting & recognizes income & expenditure on accrual basis except in respect of following where the exact quantum cannot be ascertained:

- (i) Claims lodged against and / or by the Company.
- (ii) Discounts allowed to customers on confirmation / settlement.
- (iii) Government Taxes and other statutory dues except otherwise specified.

(b) **USE OF ESTIMATES**

The presentation of financial statements requires estimates and assumptions to be made that affect the reported amount of assets and liabilities on the date of the financial statements and the reported amount of revenues and expenses during the reporting period. Difference between the actual results and estimates are recognized in the period in which the results are known / materialized.

(c) **OWNED FIXED ASSETS**

Tangible assets are stated at cost net of tax/duty credit availed, if any, less accumulated depreciation. Cost represents cost of acquisition inclusive of inward freight and incidental expenses related to acquisition and adjustments arising from foreign exchange rate variations, if any. Intangible assets (Technical know how) are stated at cost of acquisition less accumulated depreciation. **TRANSITION TO IND AS**

On transition to Ind AS, the company has elected to continue with the carrying value of all of its property , plant and equipment as well as all of its intangible assets recognised as at April 1, 2016 measured as per the previous GAAP and use that carrying value as the deemed cost of the property , plant , equipment and intangible assets.

(d) **DEPRECIATION & AMORTISATION**

Leasehold Land is amortized over the period of lease. Depreciation on other Tangible Assets is provided for on straight-line method as per their useful lives specified in Schedule II of the Companies Act, 2013 .

(e) **INVESTMENTS AND OTHER FINANCIAL ASSETS**

The company classifies its financial assets in the following measurement categories.

- (i) Those to be measured subsequently at fair value (either through other comprehensive income , or through profit or loss) , and
- (ii) Those measured at amortised cost.

For assets measured at fair value , gains and losses will either be recorded in profit or loss or other comprehensive income. For investments, in equity or debt instruments, this will depend on whether the company has made an irrevocable election at the time of initial recognition to account for the equity or debt investment at fair value through other comprehensive income.

The classification depends on the contractual terms of cash flows and how the entity manages the financial assets.

(f) **INVENTORIES**

Inventories are valued at Lower of Cost or Net Realizable Value. Cost of raw material & components and stores & spare parts are determined on weighted average basis. Cost of material is arrived at after adjustment of, where applicable, any duty / VAT credit availed or to be availed. Work in process are valued at direct cost. Finished goods are valued at lower of cost or net realizable value. Cost includes related overhead and excise duty Payable for such goods wherever applicable.

(g) **SALES**

Revenue from sales is recognized upon despatch to customers. Sales (net of returns) are inclusive of packing charges and exchange variations arising out of export sales transactions but excluding Sales Tax/VAT.

(h) **RESEARCH AND DEVELOPMENT**

Expenditure related to capital items is debited to fixed assets and depreciated at applicable rates. Revenue expenditure is charged to Profit and Loss Account of the year in which they are incurred.

(i) **FOREIGN CURRENCY TRANSACTIONS**

Monetary assets and liabilities related to foreign currency transactions remaining unsettled at the end of the year are translated at year end rates. The difference in translation of monetary assets & liabilities and realized gains & losses on foreign exchange transactions other than those relating to fixed assets are recognized in the Profit and Loss Account. Exchange differences in respect of liabilities incurred to acquire fixed assets are adjusted in the cost of such fixed assets.

(j) **EMPLOYEE BENEFITS**

(i) Short Term Employee Benefits are recognized as an expense at the undiscounted amount in the Profit & Loss A/c of the year in which the related service is rendered.

(ii) Short term liability for accumulated earned leave encashment Payable to employees at the end of the year provided for.

(iii) Post retirement and other long term benefits are recognized as an expense in the Profit & Loss A/c for the year in which Employee has rendered services. The expense is recognized at the present value of amount Payable determine using actuarial valuation.

(k) **BORROWING COSTS**

Borrowing costs attributable to the acquisition or construction of qualifying assets are capitalized as part of the cost of such assets. A qualifying asset is one that necessarily takes substantial period of time to get ready for intended use. All other borrowing costs are charged to revenue.

(l) **DEFERRED REVENUE EXPENDITURE**

(i) The design and development cost paid is treated as Deferred Revenue Expenditure to be written off in six equal installments.

(ii) Compensation paid to employees taking voluntary retirement is treated as Deferred Revenue Expenditure to be written off in five equal installments.

(m) **PROVISION FOR CURRENT & DEFERRED TAX**

Provision for current tax is made after taking into consideration benefits admissible under the provisions of the Income Tax Act, 1961 and based on the expected outcome of assessments / appeals in Company's cases. Deferred tax resulting from "timing difference" between book and taxable profit is accounted for using the tax rates & laws that have been enacted or substantively enacted as on the Balance Sheet date. The deferred tax asset is recognized and carried forward only to the extent that there is a reasonable certainty that the assets will be realized in future. The effect of tax rate change is considered in the Profit & Loss Account of the respective year of change.

(n) **PROVISIONS, CONTINGENT LIABILITIES AND CONTINGENT ASSETS**

Provisions are recognized only when there is a present obligation as a result of past events and when a reliable estimate of the amount of the obligation can be made. Contingent liabilities (if material) are disclosed by way of Notes to Accounts. Contingent Assets are not recognized in the financial statements since this may result in the recognition of income that may never be realized.

3 DEFERRED TAX ASSETS		
The Company estimates the deferred tax credit / (charge) using the applicable rate of tax based on the impact of timing differences between financial statements and estimated taxable income for the current year. The Deferred Tax assets comprise of the following:		
(a) Deferred Tax Assets - OPENING	0	0
(b) ADD-CURRENT PERIOD	0	0
NET DEFERRED TAX ASSETS	0	0

The company had been recognising the Deferred Tax Asset upto earlier years on the estimates that there will be sufficient future taxable profit to utilise the tax loss. However, by the reviewed estimation by the management, the likelihood that this tax loss can be utilised in the near future, has fallen down and it has been prudently decided to write off the deferred tax asset.
